## Diamonds 2 Quilting Diagram

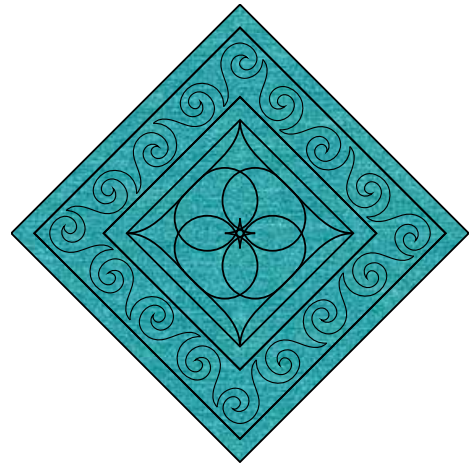

## Area C

Note: You can mix and match these designs as desired.

1. **For the first diamond:** Use the Every Angle template to echo a Diamond 1/2" inside the seamlines. Echo another diamond 1-1/2" inside this new quilted line. Echo a third design 1/2" inside that quilted line. Use the 3" Every Heart template to quilt a heart in each corner of the innermost diamond. Quilt fishbones in the channel as shown.

3. **For the third diamond:** Use the Every Angle template to echo a Diamond 1/2" inside the seamlines. Echo another diamond 1-1/2" inside this new quilted line. Echo a third design 1/2" inside that quilted line. Use the 4" Every Heart template to quilt a heart in each corner of the innermost diamond. Quilt swirls in the channel as shown.

2. **For the second diamond:** Use the Every Angle template to echo a Diamond 1/2" inside the seamlines. Echo another diamond 1-1/2" inside this new quilted line. Echo a third design 1/2" inside that quilted line. Use the 4" Every Heart template to quilt a heart in the left and right corners of the innermost diamond. Find the center of the diamond and use that point to quilt an upside down and right-side up heart as shown. Quilt ribbon candy in the channel as shown.

4. **For the fourth diamond:** Use the Every Angle template to echo a Diamond 1/2" inside the seamlines. Echo another diamond 1-1/2" inside this new quilted line. Echo a third design 1/2" inside that quilted line. Use the 5" Every Heart template to quilt a heart in the top and bottom corners of the innermost diamond, stopping at the center of these hearts to quilt a 3" heart inside of each. Quilt loops in the channel as shown. You can quilt them facing in as shown below or out, as I show in the video.
