

Here are some general directions if you want to practice creating the seasonal embroidery designs directly on your machine. Alternatively, if you have a machine with the Group/Ungroup feature, you can access the completed design files (see the Design Files link in the blog post). Ungroup the finished design and make changes that you would like.

The designs below were created with BERNINA 790 PLUS.

- Select Folder 4, Design 4
- Adjust size to 115%
- Rotate design 90 degrees
- Add lettering – Font 16 Think Spring or Grow Flowers
- Adjust size to 80% and rotate 90 degrees
- Center above the flower design
(Note: The small font in this finished design is Bradley Hand from BERNINA Software V9)

Summer – America

- Select Folder 6, Design 19
- Increase design to 120% and change hoop size to Oval
- Add Lettering – Font 8
- Decrease lettering to 80%
- Center lettering under stars (Zoom Plus is helpful)
- Approximate size is 4.3" x 4.6"

Pillow Panel Design Motifs and Fonts
