Jellyfish Cat Toy

materials, tools, and video instructions

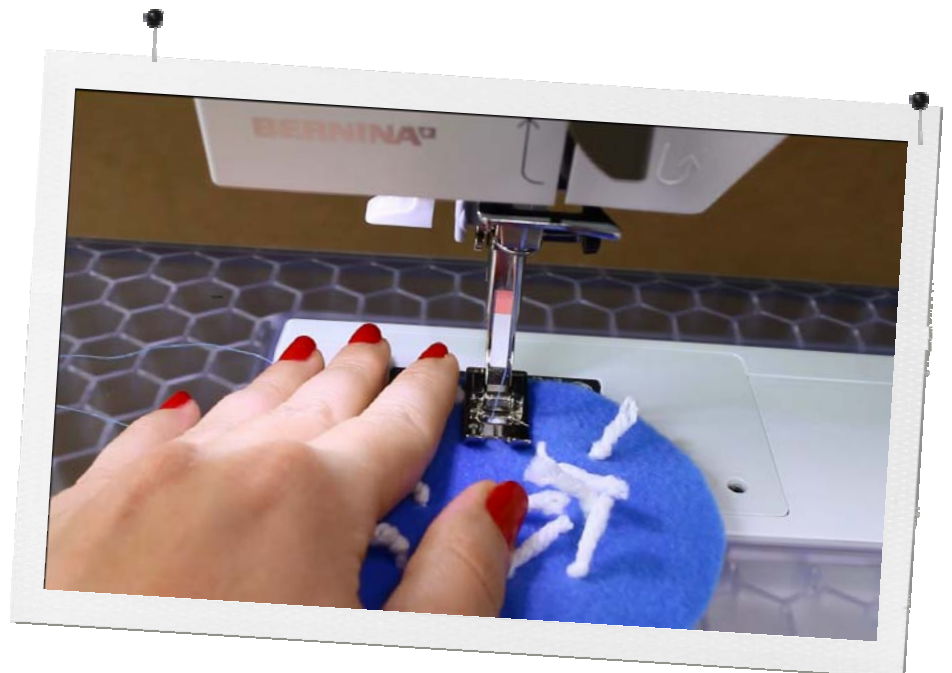

Follow Professor Pincushion's complete video tutorial and we'll show you what supplies are needed, plus we'll demonstrate each step so you can easily make this jellyfish cat toy, too.

The only thing more fun than making this pet toy is watching your cat play with it!

Using supplies readily found in most craft rooms, you can easily make this toy in an afternoon, but it will provide hours of entertainment for cats and humans alike. See how easy it is to create with a full-length, step-by-step video tutorial by Professor Pincushion.
